**OTHER ART – NON PATENT LITERATURE DOCUMENTS**

German Office Action dated June 30, 2010 for corresponding German Patent Application No. DE 10 2004 016 728.1-22 with English translation.

Applicants are enclosing Form PTO-1449 (one sheet), along with a copy of each listed reference for which a copy is required under 37 C.F.R. §1.98(a)(2). For indicating the relevance of the non-English references, enclosed are an English translation of the German Office Action for a German application with the same or similar claims, and any English abstracts. Applicant respectfully request the Examiner's consideration of the above references and entry thereof into the record of this application.

By submitting this Statement, Applicants are attempting to fully comply with the duty of candor and good faith mandated by 37 CFR §1.56. As such, this Statement is not intended to constitute an admission that any of the enclosed references, or other information referred to therein, constitutes "prior art" or is otherwise "material to patentability," as that phrase is defined in 37 CFR §1.56(a).

Applicants certify pursuant to 37 CFR §1.97(e)(1) that no item of information in this Information Disclosure Statement was first cited in any communication from a foreign patent office in a counterpart foreign application more than three months prior to the filing of this Information Disclosure Statement (a copy of any foreign communication first citing a listed reference is attached for the Examiner's reference). Accordingly, Applicants have calculated no fee to be due in connection with the filing of this Information Disclosure Statement. However, the Director is authorized to charge any fee deficiency associated with the filing of this Information Disclosure Statement to a deposit account, as authorized in the Transmittal accompanying this Information Disclosure Statement.

Respectfully submitted,

Tyler W. Webb
